

Captain's Newsletter February 2025

Dear Members,

On behalf of the Board and all the Greens and Pro Shop Staff, I would really like to thank all Members for their understanding and patience while we recover from our greens issue and playing the temporary greens. Hopefully it won't be too long before we have our regular 18 holes back in play.

TOP GUN 2025

Qualifying for this year's event will commence on Saturday March 8th. There will be a \$30 entry fee up front and competitors can play as many competition rounds as they like to try and qualify. The main prize will be announced before commencement.

Congrats to **Warren Moodie** the 2024 Individual Match Play Champion!! (I'd like to hope those who sign up to compete in 2025 make sure they are available to play their knockout matches within the required timeframe. We had many walk overs (forfeits) which detracts from the spirit of the competition.

The Longest Day wrap up as follows:

Great effort from our Golf Club and those who participated and supported our main organiser, Col Brown.

We have already seen the incredible impact from the support of legends like you:

RESEARCH: **59,000** hours of important cancer research could be funded, getting us closer to a breakthrough for causes, prevention and treatment.

PREVENTION: **296** Schools can receive a SunSmart shade grant to protect their students from the sun.

SUPPORT: you've helped cover costs for the **36,000** Australians who contact our 13 11 20 cancer information and support line each year.
