The Final by September 1st

TOP GUN:

The long anticipated Top Gun Event will be played this Sunday June 30th.

After many weeks of players trying to qualify we now have our 19 Finalists:

John Schott, Rob Walker, Ian Griffin, Grant Clark, Lawso, Vince O'Connor, Adele Abbott, Terry Ashby, Craig Ratcliffe, Shane Young,

Keith Muller, Michael Winkler, James Rigney, Trevor Harris, Scott Abbott, Nic Hall, Jack Brand, Paul Feest and David Cawthorn.

Competitors are requested to arrive before 7.45am for the seedings, the rules and a bacon and egg roll.

Interested in seeing 19 people hit off the 1st tee to start this event? It's quite a sight and anyone is welcome to come and witness and enjoy the walk around the course.

Masters Vets Update:

Our team were narrowly beaten last Sunday putting them out of the finals. Bad luck guys but I have been told by Lee Maddinson the Captain that the team will be primed for a win in 2025.

Ladies Shotgun Ambrose Day June 25th

Thanks to the Ladies members for inviting me to join them after their shotgun start yesterday. It was nice to meet many of you. From the meeting, if anyone has any further questions don't hesitate to contact me via my SHGC email. clubcaptain@shoalhavenheadsgolfclub.com.au

Lastly, Our ground staff would prefer that cart users please try harder to avoid the hoop barriers rather than use them as a crash dummy. Seriously, these hoops are put in place to protect our course. Pretty ordinary to run straight over them.....

(Nice photo of Adam though...)

Thanks for reading,

**Phil Lyons
Club Captain**
