ENTRIES CLOSE: 25th September 2024

FOR BOOKINGS & INFORMATION

PHONE: 4448 8683

BOOK EARLY - LIMITED NUMBERS

Raffle tickets will be on sale soon. First prize will be a Titleist Driver, including fitting to the winner, provided by Titleist and Greg. The more you buy the more chance you have to win. In time I will let you know the other prizes, just building up the anticipation.

As you can see from below, the day will be packed with a range of fun events.

NOT JUST GOLF THERE'S MORE, MUCH MORE.

IN THE CLUBHOUSE

ON THE COURSE

A CHANCE TO WIN ON ALL THE PAR 3'S

THE CAR

\$\$\$ ON THE SUPER HOLE

THE PRESIDENT'S PORTHOLE

GET A MULLIGAN... OR SEVERAL

PRIZES FOR DRIVES

BUY A DRIVE

As always, thanks to the Country Motor Company there will be the chance to win a car for a Hole In One!

And then every par 3 will have a prize for nearest the pin for both the men and the women players. For a small donation (well not that small) there is the chance to win a bottle of vintage port at the President's Port Hole! At the Super Hole, if you fancy a flutter, you can test your accuracy. But you will be up against one of Will's usual cunning pin positions. Get inside the rings and you will get your punt back and more!

This year you can buy a Mulligan, or several! And don't we all need one of these from time to time. I'm think of buying one for the 13<sup>th</sup>, then again there's the 16<sup>th</sup> and the 18<sup>th</sup>! And .... And.... Maybe I'll just buy a couple! And if you run out of Mulligan's, then on one of the holes you will be able to buy a Drive! Of course if you may be good enough without any of these aids to win the longest drive. And as you go around the course there will be trivia questions. Not forgetting that if you come along decked out in your finest pink and/or blue golfing gear (as you undoubtably will), you could win a reward just for looking good!

While all this is going on we may even play a bit of golf with the top pair in each category winning a prize. Nearer the time we will be firming up on the details, and I will let you know. There will also be the need for a number of helpers before, during and after the day on a variety of jobs. These will include out on the course at the Hole in One, helping out selling raffle tickets, the Mulligan's, the Buy a Drive, and the Port Hole vouchers. Even helping set up the clubhouse. The list goes on. So if you can't play but want to support the day. Let me know. You will be most welcome. I'm sure we will find something for you to do.

And finally, any donations of prizes or financial support, is always gratefully received.  
Stay tuned! More details down the track.

John Clawley

President.
